OUR FOUNDERS

B. K. BIRLA & SARALA BIRLA.

Birla Bharati was established in 2001 by the illustrious industrialist B.K.Birla and Sarala Birla. It is an exemplary, co-educational student-focussed institution catering to holistic development of the student community through meaningful events which nurture environmental awareness, excellence in academics, sports and performing arts.

The motto of the school is

"Knowledge is the Greatest Wealth"

"Knowledge for the sake of knowledge, without benefitting fellow beings, is a dead end and only leads to the blind alley of unfulfilled frustrations. Education is a meaningless ritual unless it can mould the character of students and give them values of life."
