BIRLA BHARATI

(SARALA BIRLA GROUP OF SCHOOLS)

INVEST IN TOMORROW
BY NURTURING AND SUPPORTING
THE FUTURE LEADERS.
LET'S CREATE A BETTER WORLD
FOR THE NEXT GENERATION!

NURTURING *The future*

Since 2001, we at Birla Bharati School have strived to be the certain pillar of modern education system.

ALL INNOVATORS AND DREAMERS - WE NEED YOU!

MISSION *Calling all visionaries*

Our Mission is to cater comprehensive holistic education in a learning friendly environment which actualizes latent abilities, elevates confidence and generates self esteem.

DEVELOPING ONE-OF-A-KIND IDENTITIES

GROWING *Unique identities*

We believe in creating a strong and secure foundation for the children so that they are ready for the varied challenges of the future.

As the children grow, special care is taken to ensure they develop their own identities. And then, as the young ones groom to spread their wings, we instill a sense of deep seated purpose and steadfast confidence in them.

LET US PRIORITIZE EDUCATION
THAT IS ROOTED IN VALUES
AND ETHICS.

Education rooted in **VALUES**

Our Vision is to create competent, composed and compassionate individuals who will strike a distinguishing balance between personal achievement and social responsibilities.

DISCOVER THE BENEFITS OF CULTIVATING A RELAXED AND HARMONIOUS SETTING FOR EDUCATION

Achieve a Calm and Focused **LEARNING ENVIRONMENT**

Our Mentors are caring and compassionate and devote themselves to bringing out the best in the children. They provide a stress-free learning environment where the child can learn freely and develop their talents and skills.

PROVIDING *The best facilities*

At Birla Bharati, we are proactive in providing top notch value based educational support to the aspiring future generations.

We provide:

- Digital Classrooms • CCTV Surveillance • School Buses
- Fully equipped infirmary round the clock with trained nurse
- After school coaching in sports, martial arts, public speaking and drama classes
- Fully equipped laboratories for physics chemistry, biology, home science, computers and maths.
- Well stocked library.

"Knowledge for the sake of knowledge, without benefiting fellow beings, is a dead end and only leads to the blind alley of unfulfilled frustration. Education is a meaningless ritual unless it can mould the character of students and give them valves of life. The educational institutions have to ensure that each and every student in India is so educated that he is given the required ability both physically and mentally to build up a unique nation. We are proud of our ancient heritage and we have to ensure that our future is no less glorious."

~ Late Shri B.K.Birla & Dr.(Smt.) Sarala Birla
