NOTICE

We are pleased to inform that a large number of parents of this institution have co-operated with us by paying the 'Revised Fees', as directed by the Hon'ble High Court, Calcutta in Case no. WPA 5890 of 2020, during this unprecedented and challenging times. It is indeed a blessing to have such wonderful and supportive members in our Birla Bharati family.

But it is also regrettable that there are still a few parents who have not paid the 'Revised Fees' till date. There are also few parents who have not even paid fees for the year 2019-20 academic year.

As you are all well aware that as per the Order of Hon'ble High Court, on and from 8th December, 2020, schools are entitled to disallow students whose fees have not been paid as per the Revised Fees Structure.

Hence, this is a general reminder to each and every parent, who has not still paid the outstanding amount of fees as per the Revised Fee Structure and also to those who have not paid the school fees for the academic year of 2019-20, to pay the stipulated amount of fees along with late fees within 10th January, 2021 failing which we will have no other options but to remove the name of those students from online platforms, whose fees have not been cleared at all. Unfortunately those students will be deprived from availing the online classes which are regularly been conducted by our respected teachers.

Your prompt co-operation in this matter is highly solicited.
