BIRLA BHARATI
WHERE KNOWLEDGE IS THE GREATEST WEALTH
(Sarala Birla Group of Schools)

Notice

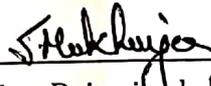

Dear Parents,

We would like to remind you of an important safety protocol during school dispersal time. Once primary children board the school bus during dispersal, they must not get off the bus under any circumstances.

This is especially important as the senior dispersal happens around the same time and there is increased movement and congestion in the area. For their safety, children must remain seated on the bus until it departs.

We also request that you reinforce with your children the importance of listening to the instructions of the helping staff, as they are present to ensure the safety and well-being of all students and their guidance must be followed at all times.

Thank you for your cooperation and continued support in maintaining a safe and orderly school environment.
