

Dear Parents,

As you are already aware, the West Bengal Government has implemented the 6th Pay Commission w.e.f. January 2020. In order to carry out its recommendations in our school inter alia, we are compelled to increase the fees w.e.f. April 2022. Only by making this raise we are able to meet the increased financial liabilities of the school. We are sure you would understand our situation and cooperate with us.

Regards,

Birla Bharati
